wendy.foster@foster.com

Wendy has over 25 years of litigation experience in multiple areas of law including legal and medical malpractice, personal injury, wrongful death, property, insurance defense, civil rights and Native American law.

Services

Litigation

She works closely with clients in gathering information, evidence, and documentation from case intake through trial or settlement. Wendy also enjoys overseeing case and trial logistics to alleviate her attorneys of mundane tasks.

Wendy has extensive trial experience in multiple state and federal jurisdictions in Alaska and Washington. She supports the trial team by running exhibit presentation software, managing clients and witnesses and being available at all hours to address whatever may arise during trial.

Education

A.A, Paralegal Studies, Edmonds Community College.
