digital platforms. Our advice covers co-branding, product claims and legal compliance in marketing initiatives.

- **Mergers & Acquisitions:** We provide comprehensive M&A services, including buyouts, spinoffs, cross-border transactions, joint ventures, strategic alliances and reorganizations, representing clients on both the buying and selling sides of transactions.
- **Real Estate & Operations:** We handle a range of property-related issues vital to the consumer products industry, including the acquisition and leasing of manufacturing facilities, offices and warehouses.
- **Regulatory Compliance & Safety:** Our attorneys ensure clients comply with industry-specific regulations, including nutrition panels, ingredient lists, product claims and certifications for food, beverage and supplement brands, maintaining high standards of safety and quality in their products. We also counsel on website accessibility and compliance with the Americans with Disabilities Act (ADA), California's Proposition 65, mislabeling, misbranding and false advertising claims.
- **Strategic Partnerships & Joint Ventures:** We aid in the formation of strategic alliances, partnerships and joint ventures, leveraging our capabilities to navigate the intricacies of these collaborations.

We pride ourselves on being more than legal advisors. Our team engages deeply with our clients, understanding their business goals and propelling their visions forward. Our Consumer Brands team members are recognized for their industry knowledge and dedication to client service.

**Our goal is to create enduring partnerships that drive success**, not just to provide services.
