michele.barger@foster.com

Michele has more than two decades of paralegal experience in various practices such as employment, product liability, health care and general commercial liability litigation.

Michele has extensive experience working through each phase of litigation support, from case and document management, preparation and coordination of discovery to trial preparation and presentation strategy.

She has strong skills in electronic litigation support, using e-discovery tools for document review and finalization. She also performs fact research and analysis, conducts witness interviews, drafts discovery requests, and undertakes all aspects of evidence management.

Education

General Studies, University of Washington.

Services

Litigation
